RAU Accommodation Terms and Conditions 2023-24

4.1.4 You agree to pay for any damage (except for reasonable wear and tear) that you or your visitors cause in the Accommodation or Shared areas during your stay. In the case of damage to shared areas, if the individual responsible cannot be found, the students with access to that area will be asked to pay a proportion of the reasonable costs of the repair of damage or replacement of furniture or fittings. The total cost will be divided equally between the residents on that floor. Students will also take responsibility for damage caused by themselves in other areas. If we reasonably believe that damage has been caused deliberately or recklessly, the University may take disciplinary action against you, refer the matter to the police, and/or terminate your Agreement.
