Resource Statement for Programme / Course(s) taught at a Collaborative Partner Institution

This statement is provided by the Collaborative Partner. The purpose of the statement is to provide information for the final approval meeting in the programme approval process, about the resources in place to support delivery of the programme. The collaborative partner institution may wish to consult with the University's IT and Library Services for particular aspects of resource requirements in order to ensure the effective delivery of programmes at the collaborative partner institution.

Please provide as full information as possible and **highlight developments that have taken place since initial institutional approval took place** (a copy of the original submission can be requested from collaborative.provision@rau.ac.uk.

This statement <u>must</u> be signed by the partner's HE Manager (or equivalent).
