

PUBLICATIONS, CONTRIBUTIONS TO CONFERENCES AND CONSULTANCY REPORTS: January 2006 – December 2006

1 REFEREED JOURNALS

- Baines, R.N., Davies, W.P. and P. Batt (2006). Benchmarking International Food Safety and Quality Systems Towards a Framework for Fresh Produce in Transitional Economies. *Acta Horticulturae*, 699. 69-77.
- Davies, W.P., and Newton, D. J. (2006). Agricultural Innovation and Biotechnology Development Towards Sustainable Goals: Can We Make It More Pro-Poor? *World Review of Science, Technology and Sustainable Development*, Vol 3, 2, 99-122.
- Davies, W. P., Baines, R.N. and Turner, J. C. (2006). Red Alert: Lessons For Food Safety Regulation From A New Scare Caused By Dye Contaminants In Spice Supply. *Acta Horticulturae*, 699, 143-151.
- Fortune, S., Robinson, J. S., Watson, C. A., Phillips, L., Conway, J. S. and Stockdale, E. A. (2006). Response of organically managed grassland to available P and K in the soil and supplementary P and K fertilisers field trials using grass-clover leys cut for silage. *Soil-Use and Management*. 21. 370-376.
- Hernandez-Mendo, O. and Leaver, J. D. (2006). Production and behavioural responses of high- and low-yielding dairy cows to different periods of access to grazing or to a maize silage and soya bean meal diet fed indoors. *Grass and Forage Science* 61, 335-346.
- Jones, J.V.H. (2006). A case study based assessment of the financial impact of agri-environment scheme participation; pre- and post-decoupling'. *Journal of Farm Management*, 12 (8), 477-498
- Kramol, P., Thong-ngam, K., Gypmantasiri, P. and Davies, W. P. (2006). Challenges of developing pesticide-free and organic vegetable markets and farming systems for smallholder farmers in North Thailand. *Acta Horticulturae*, 699, 243-253.
- Manning, L., Baines, R.N., and Chadd, S.A. (2006). Quality assurance models in the food supply chain. *British Food Journal*, Vol 108, No. 2, 91-104.
- Manning, L., Baines, R.N., and Chadd, S.A. (2006). Ethical modelling of the food supply chain. *British Food Journal*, Vol 108, No.5, 358-370.
- Murray, J.M.D., Longland, A.C., Moore-Colyer, M.J.S. (2006). In vitro fermentation of different ratios of high-temperature dried Lucerne and sugar beet pulp incubated with an equine faecal inoculum. *Animal Feed Science and Technology* 129, 89-98.
- Murray, J.M.D., Longland, A.C., Moore-Colyer, M.J.S. and Dunnett, C. (2006). The effect of feeding a low starch diet on the in vitro fermentative capacity of equine faecal inocula. *Animal Science* 82, 627-636.
- Murray, J.M.D., Longland, A.C., Moore-Colyer, M.J.S. and Dunnett, C. (2006). The nutritive value of sugar beet pulp-substituted lucerne for equids. *Animal Feed Science and Technology*. (In Press).

Swindell, J. (2006). The Information Villages of Pondicherry: a case study in capacity building for sustainable development in Leal W. (Ed) Innovation, Education and Communication for Sustainable Development, 515-534. Peter Lang. Frankfurt, Germany.

Warriss, P. D., Brown, S.N., Knowles, T.G., Wilkins, I. J., Pope, S. J., Chadd, S.A., Kettlewell, P. J., and Green, N. R. (2006). The Potential Value of Mechanical Ventilation Over Natural Ventilation for the Welfare of Transported Pigs. *The Veterinary Journal*. 158. 585-588.

Wicks, H. C .F. and Leaver, J. D. (2006). Influence of genetic merit and environment on somatic cell counts of Holstein-Friesian cows. *The Veterinary Journal* 172, 52-57.

2 BOOKS AND BOOK CHAPTERS

Conway, J. S. (2006). Soils in the Welsh Landscape. A field-based approach to the study of soil in the landscapes of North Wales. DEFRA Publication. Seabury Salmon & Associates. 31pp.

Fisher M. and Moreton, H. (2006). Elementary Microbiology and Immunology'. Chapter 14 in Lane D.R. and Cooper. B. (Eds). *Veterinary Nursing (4th Edition)*. Butterworth Heinemann Elsevier Science. Edinburgh.

Hemmings, A. J., McBride, S. D., and Hale, C. (2006). Brain-based phenotypic differences in crib-biting horses.

Moreton, H. (2006). Microbiology. Chapter 4 in Aspinall C.V. (Ed). *Veterinary Nursing*.

Swindell, J. (2006). The Information Villages of Pondicherry: A Case Study in Capacity Building for Sustainable Development. In: Innovation, Education and Communication for Sustainable Development. Walter Leal Filho (Ed). TuTech, 515-534. Frankfurt Germany.

3 CONFERENCE CONTRIBUTIONS

Aguiar, L. (2006). Recent changes in consumer behaviour in the UK and its impact in the red meat chain in southern Brazil. In Conference Proceedings 1^a Jornada Técnica em Sistemas de Produção de Bovinos de Corte e Cadeia Produtiva: tópicos em tecnologia, gestão e produção. Federal University of Rio Grande do Sul (UFRGS), September. Porto Alegre, Brazil.

Aguiar, L. (2006). Producing coffee for the ethical trade market: The case of non-consumption by Brazilians and Peruvians. In: Proceedings of the X Academy of Marketing Doctoral Colloquium. 6-7 July. London.

Aguiar, L. (2006). The sustainability of ethically traded coffee and the case of non consumption in Brazil and Peru. In: Proceedings of the 16th World Food and Agribusiness Symposium. (IAMA). Poster Session. 10-13 June 2006. Buenos Aires, Argentina.

Azo, W. M., Lane, G.P.F., Davies, W.P. and Cannon, N.D. (2006). Influences of harvest date and crop maturity on the yield and forage quality of lupin and lupin/cereal bi-crops for organic livestock production in the UK. Proceedings of the British Grassland Society Conference ' Grassland as a Multifunctional Resource'. September. Royal Agricultural College, Cirencester.

- Azo, W. M., Lane, G.P.F., Cannon, N.D. and Davies, W.P. (2006). Dry matter yields and quality of organic lupin and lupin-cereal mixtures for whole crop forage. Proceedings of 'What will organic farming deliver?' Annals of Applied Biology, 79, 93-96.
- Azo, W. M., Lane, G.P.F., Davies, W.P and Cannon, N.D. (2006). Influences of crop maturity and harvest date and on the yield and forage quality of lupin and lupin/cereal bi-crops for organic livestock production. Proceedings of the Eighth Research Conference, British Grassland Society. 57-58.
- Baines, R. N. (2006). Implications of GM-free Animal Feeds on Pig and Poultry Production. The Five-Year Freeze Seminar. London. UK.
- Baines, R. N. and Davies, W.P. (2006). Implications of meeting the non-GM animal feed requirements of UK retailers. Presentation to the 'Grain-Feed-Food' (G2F) NABIM-IFIF-BASF Conference. November. Peterborough.
- Baines, R. N. (2006). Protect Your Brand. Proceedings of a Workshop with 'Utah Own Brand' users. Utah State University, Logan, Utah, USA. September 2006.
- Baines, R. N. (2006). Leading Global Food Standards: What do we get for our \$? 'First Safe Quality Food' Conference. Washington DC. SQF Institute (A Division of FMI). Washington. Accessed 20 January 2007.
- Baines, R.N. (2006). SQF Modules Explained: Responsible Social Practice, Responsible Environmental Practice. First Safe Quality Food Conference, Washington DC. SQF Institute. (A Division of FMI). Washington. Accessed 26 January 2007.
- Cox, D. E. (2006). The Value of Agricultural Land. Presented to the General Assembly of The Confédération Internationale du Crédit Agricole. 30 September 2006. Quebec, Canada.
- Donkin E.A. and Lane, G.P.F. (2006). Seed germination and viability studies on three species of lupin. In: Proceedings of the Eighth Research Conference. British Grassland Society. 59-60. Royal Agricultural College, Cirencester.
- Hale, C.E., and Hemmings, A. J. (2006). Feeding horses with welfare in mind. Proceedings of the UFAW Quality of Life Symposium. London.
- Hale, C. E, Newbold, J., and Hemmings A. J. (2006) In Vitro fermentation kinetics of forages commonly fed to horses. Proceedings of the BSAS Annual Conference.
- Hemmings, A. J., McBride, S. D. and Hale, C. E. (2006). Opioid circuitry and the etiology of oral stereotypy. Paper presented at the 40th Congress of the ISAE Bristol.
- Huang, C-M. and Aguiar, L. (2006) Consumer perception of health food products and the effect of country of origin in purchase preference in Taiwan. In: Proceedings of the 16th World Food and Agribusiness Symposium. (IAMA). Poster Session. 10-13 June, 2006. Buenos Aires, Argentina.
- Inciarte, J. L. and Aguiar, L. (2006). Quality assurance: challenges and opportunities for the Uruguayan beef industry. In Proceedings of the 16th World Food and Agribusiness Symposium. (IAMA). Poster Presentation. 10-13 June, 2006. Buenos Aires, Argentina.

- Jones, J.V.H. (2006). Facing up to new realities: The case for using relevant cost and target cost approaches in agriculture. Paper presented to the 80th Annual Conference of the Agricultural Economics Society, March 2006. Paris, France.
- Jones J.V.H. (2006). A case-based investigation of the financial implications of agri-environment scheme participation, before and after the decoupling of agricultural subsidies. Paper presented to the RICS ROOTS 2006 Conference, April, 2006. Wadham College, University of Oxford.
- Jones J.V.H. (2006). How Do Farmers Regard the Cross Compliance Conditions Attached to the Single Payment Scheme in England? Paper presented to the RICS ROOTS 2006 Conference. April, 2006. Wadham College, University of Oxford.
- Jones J.V.H. (2006). Identifying the Production Margin: The Importance of Business Cost Structures in Determining Whether the Optimum Response to the Decoupling of Agricultural Subsidies in the Combinable Crop Sector Might be to Take Land out of Production. Paper presented to the RICS ROOTS 2006 Conference. April, 2006. Wadham College, University of Oxford.
- Lane, G.P.F, Rice, S., and de Oliviera, S.D. (2006). Initial investigation into the feeding value of ensiled chicory (*Cichorium intybus*) with perennial ryegrass (*Lolium perenne*) and red clover (*Trifolium pratense*). Proceedings of the 8th Research Conference, British Grassland Society. 65-66. Royal Agricultural College, Cirencester.
- Leaver, J. D. (2006). Dairy herd management and experience: Lessons learned in the West applied to emerging countries. Proceedings of the 27th World Dairy Congress. Shanghai, China.
- Leaver, J. D. (2006). Translating grassland research into practice - the weakest link. Proceedings of the British Grassland Society Research Conference. Royal Agricultural College, Cirencester.
- Lewis, D., and Manley, W.J. (2006). The Impact of Timber Prices On Woodland Management. Proceedings of the RICS ROOTS Conference 2006. Oxford.
- Liu, Z., Baines, R.N., Lane, G.P.F. and Davies, W.P. (2006). Competition between sainfoin, perennial ryegrass and meadow fescue. Proceedings of the British Grassland Society Conference 'Grassland as a Multifunctional Resource'. September. Royal Agricultural College, Cirencester.
- Liu, Z., R. N. Baines, Lane, G.P.F. and Davies, W.P.D. (2006). The effects of establishment method on the yield of sainfoin (*onobrychis vicifolia*) and sainfoin-grass mixtures. Proceedings of the 8th Research Conference, British Grassland Society. 9-10.
- Newton, D. J. and Davies, W. P. (2006). Can increasing biotechnology adoption in agri-food systems make a significant contribution to the Millennium Development Goals? Proceedings of a 40th Anniversary Seminar. Institute of Development Studies (IDS) and the Science and Technology Policy Research Unit (SPRU), University of Sussex. April. Brighton, UK.
- Rigatto, P., Barcillos, M. and Aguiar, L. (2006). The Structure of Price Formation of Brazilian Beef for Export for the European market: The United Kingdom case. In: Proceedings of the 7th International Conference on Management in Agrifood Chains Network. May 2006. Ede, Holland.

- Ryder, C. (2006). You are what you (do not) eat: Exploring the successful ingredient of the commercial slimming club. Academy of Marketing. July, 2006. London.
- Ryder, C. (2006). Nothing tastes so good as being slim: Examining the philosophy and products of a commercial slimming organisation. A Case Study. International Food and Agribusiness Management Association (IAMA) Conference, June, 2006. Buenos Aires, Argentina.
- Sawyer, C.A., Lane, G.P.F. and Davies, W.P. (2006). Inoculant (*Bradyrhizobium japonicum*) and nitrogen fertiliser impacts on the yield and the quality of UK-grown forage soybeans (*Glycine max*). Proceedings of the 8th British Grassland Society Conference 'British Grassland Society. 13-14.
- Southgate, J.M., Lane, G.P.F., Conway, J. and Davies, W.P. (2006). Nodulation of three lupin (*Lupinus spp.*) species by two *Bradyrhizobium lupinii* inoculants. Proceedings of the 8th Research Conference, British Grassland Society. 75-76.
- Swindell, J. (2006). Sustainability in Knowledge Transfer: The Village Knowledge Centres in South India. Royal Geographical Society Annual International Conference. August. (In Press).
- Swindell, J. (2006). GIS Education in Tamil Nadu, India. EUGUSES, 2006. Krakow, Poland.
- Swindell, J. (2006). Presentation Sustainability in Knowledge Transfer, the Village Knowledge Centres in South India. In: 'Participatory Techniques Stream', Royal Geographical Society Annual International Conference, London, UK
- Swindell, J. (2006). EUGISES 2006 'Fifth European Seminar on GIS in Higher Education' seminar presentation. GIS as a tool for rural policy students. Agricultural University of Krakow, Poland.
- Wills, B. and Manley W.J. (2006). Costing Cross-Compliance. Proceedings of the RICS ROOTS Conference. 2006. Oxford.
- Yawson, D. E. and Aguiar, L. (2006). Agility in the Ghanaian international pineapple supply chain. In conference Proceedings International Symposium on Fresh Produce Supply Chain Management. 6-10 December. Chiang Mai, Thailand.

4 OTHER PUBLICATIONS

- Baines, R. N. (2006). Could your vehicle spread bird flu? Road Transport Magazine. March. 1-2.
- Brofman, F. (2006). Loyalty Programme Redesign Among Radio Frequency Identification (RFID) Lines: Some [Examples from Industry](#).
- Davies, W. P., Mountain, C. and Turner, J.C. (2006). Investing in Education and Training for Profitable Agri-Food Business. Presentation to the Federation of Indian Chambers of Commerce and Industry (FICCI) and UK Trade and Investment (UKTI) Seminar on 'India-UK Agri-Food Business Co-operation'. March. Chandigarh, India.
- Davies, W. P. (2006). GM prospects for improving animal feeds and livestock farming. Grain & Feed Milling Technology, 117, No.1, 15-21. March-April.

Howie, C. A. (2006). High dykes in An Giang Province, Vietnam, bring environmental pains but social gains. Tropical Agriculture Association Newsletter. 26, 29-32. March. Paper delivered at the Scottish/Borders Seminar on 'Linkages between Agriculture and Aquaculture. Institute of Aquaculture', Stirling University, 4th May 2005.

Morris, P. and Ashbridge, I (2006). The Way Through The Woods. Farmers Weekly. August.

Swindell J. (2006) Aiding Change; Julian Swindell explains how GIS and remote sensing are aiding development in South India Geo Connexion International Magazine 5:6 pp 44-45

5 CONSULTANCY PROJECT REPORTS

Baines, R.N. (2006). QA Benchmarking for Beef and Sheep. UK. Assured Food Standards.

Chadd, S.A.C., Warner N., and Davies, W.P. (2006). Developing new technical and vocational diploma programmes in agricultural subjects for Libya. July. Tripoli: United Nations Educational, Scientific and Cultural Organisation (UNESCO,) - Government of Libya programme. Paris, France.

Conway, J. S. (2006). Phosphate overuse threatens rivers. On Track, 14, 10. Royal Agricultural College, Cirencester.

Conway, J. S. (2006). Iceland - the ultimate study tour. On Track, 14, 12. Royal Agricultural College, Cirencester.

Davies, W. P., Chadd, S.A.C. and Baines R. N. (2006). Re-establishing Safe Animal Feed Supply and Feed Monitoring in Iraq. March. Cirencester. UN Food and Agriculture Organisation (FAO). Rome,

Davies, W. P, and Baines, R. N. (2006). Providing Safe Animal Feed in South and East Africa: Workshop and Feed Mill Studies. UN Food and Agriculture Organisation (FAO) and the International Feed Industry Federation (IFIF). July. Nairobi, Kenya. FAO, Rome.

Davies, W. P. and Baines, R. N. (2006). Providing Safe Animal Feeds Through Good Practice Code Adoption. UN Food and Agriculture Organisation (FAO) and International Feed Industry Federation (IFIF) 'Improving Feed Safety' project. September. Cairo, Egypt. FAO, Rome.

Jones, J.V.H. (2006). The Uncommon CAP. Seminar presentation at the Countryside and Community Research Unit. April 2006. University of Gloucestershire, Cheltenham.

Turner, J. C. and Davies, W. P. (2006). Review of the Chateau and Estate at Menetou - Salon, Bourges, France. April. Private Client.

6 EXTERNAL TALKS

Aguiar, L. (2006). The Brazilian beef sector: Know thy neighbour. Presentation to Gloucestershire Suckler Cow Group. November. Frog Mill.

- Baines, R.N. (2006). Update on EU Food and Farming Rules and the Concept of Co-regulation. Utah State University Seminar. September 2006.
- Conway, J.S. (2006). 'Agriculture and Greenhouse Gas Emissions. Interview with Radio 4 'Farming Today' Programme. November.
- Conway, J.S. (2006). 'Agriculture in a Changing Climate - Threats and Opportunities. Talk to NFU AGM, Devon.
- Davies, W.P., and Mountain, C. (2006). Managing Change in Agribusiness through Higher Education Development. Presentation to the College of Agriculture, Punjab Agricultural University. March. Ludhiana, India.
- Davies, W. P. (2006). Adding-Value to Agri-Food Production. Presentation to the Punjab Agribusiness and Agro-Industry Association. July. Royal Agricultural College, Cirencester.
- Davies, W. P. (2006). Developing Ethical Consumerism in Food Supply: Chairman's Review. Presentation to the 'Product Quality' Seminar at Campden and Chorleywood Research Station (CCFRA). October. Chipping Campden.
- Eneas, G., Davies, W.P. and Jones, W. (2006). Investing in Education to Meet Changing Society Needs. Debate on Radio Bahamas. September. Nassau, New Providence.
- Hughes, N. and Leaver, J. D. (2006). Staffing on large dairy farms. Paper to 300 Cow Club, Garstang, Lancashire.
- Leaver J. D. (2006). The future for young people in agriculture. RASE Council Meeting. London.
- Leaver, J. D. (2006). Research and its importance to the agricultural industry. Institute of Agricultural Management Leadership Course. Royal Agricultural College, Cirencester.
- Leaver, J. D. (2006). British Agriculture and its future. Berkeley Hunt Agricultural Society, Berkeley, Gloucestershire.
- Leaver, J. D. (2006). Role of RAC in future developments. Institute of Agricultural Management Annual Conference, Basingstoke.
- Turner, J.C. and Davies, W. P. (2006). Developing Bespoke Executive Education for the Food Industry. Presentation to the Campden and Chorleywood Food Research Association (CCFRA) 'Agri-Food' Group. September. Chipping Campden.
- Turner, J. C. Giles, J., Bowles, E., Alvis, J., Lawton, R. (2006). Question Time - New Directions for UK Food and Agriculture. Chartered Institute of Marketing Seminar. April 26, Cirencester.
